CORRECTION OF THE RECORD

Mrs. NEUBERGER. Mr. President, I should like to have a correction made in the CONGRESSIONAL RECORD of August 15.

In the course of my remarks concerning legislative reapportionment, I had occasion to quote from an opinion of Mr. Justice Clark and from an article by Mr. Anthony Lewis. During my reading of

the Lewis article, I made a parenthetical remark in reference to the previously quoted Clark opinion. Unfortunately, in the RECORD it was printed to appear as though the remainder of the Lewis article was an opinion from Justice Clark.

I ask unanimous consent that on column 3 of page 19150 the line "As I earlier quoted from Mr. Justice Clark" be put in parentheses and the colon struck.

I also request that the appropriate changes be made in the permanent RECORD Index.

The PRESIDING OFFICER. Without objection, the correction will be made.

DEATH OF SGT. ALVIN YORK, OF TENNESSEE

Mr. GORE. Mr. President, it is my sad duty to announce to the Senate the death of a great hero of the United States, Sgt. Alvin York. Sergeant York was perhaps the most renowned citizen which the great State of Tennessee ever produced. His heroic deeds in World War I stirred the patriotism, the imagination, and love of country in the hearts of millions of people. He passed away today in a veterans' hospital in Nashville, Tenn.

I regret that it is necessary to make this report. I extend to all members of his family the deepest sympathy.

JOBS FOR EMPLOYEES OF CONTINENTAL CAN CO. IN CLARKSBURG AND WHEELING, W. VA., MUST BE PROTECTED

Mr. BYRD of West Virginia. Mr. President, there is serious concern in the cities of Wheeling and Clarksburg, W. Va., about future employment at the Continental Can manufacturing plants located there.

These plants are involved in an anti-trust action brought by the U.S. Justice Department against the Continental Can Co. The company has been directed to divest itself of these and other Hazel-Atlas plants but the company wishes to retain them.

Over 2,000 employees at the two plants have grown more concerned about their future employment as the dispute continues between the company and the Justice Department.

Recently, I arranged a meeting here in Washington at which Mr. William H. Orrick, Jr., chief of the antitrust division of the Justice Department, and Mr. Helmer Johnson, counsel for the Continental Can Co., explained their respective positions on the matter to civic and labor leaders from Clarksburg and Wheeling. It was a fruitful meeting and certain misunderstandings were corrected.

I have written to the Attorney General of the United States to urge his assistance in seeing that this major source of employment in these cities is protected. I ask unanimous consent that my letter be printed in the RECORD.

There being no objection, the letter was ordered to be printed in the RECORD, as follows:
